## **Spelling Bee**

Spelling Bee for Grades 1-6 is held at the Elementary Academic Bowl. Spelling Bee for Grades 7-9 is held at the High School Academic Bowl.

The word list is based on the A Beka curriculum and can be learned by studying the appropriate grade-level A Beka Spelling Book. (Example: 1<sup>st</sup> grade should study from the 1<sup>st</sup> grade A Beka Spelling Book.) Word lists are also available online at [www.cgacs.org](http://www.cgacs.org). Should a grade level list be exhausted, the moderator will proceed to the next grade level's list.

The moderator will give the word. The speller must then say the word, spell it and then say it again. Once the word is said the second time, the speller may not correct the spelling.

At least two judges will be present to help the moderator in determining the correct spelling. The judges will also give the definition, or use the word in a sentence if requested.

The competition will be held in a classroom. Once the competition has begun all spellers and spectators are to remain in the room until a champion and runner-up has been determined. Spectators may watch but are asked to remain in the room until the competition is complete. No spectators or spellers will be allowed in the room once the competition has begun.

Each school may enter two spellers per class per grade.
